Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 19 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming dry overnight. Fine with warm sunshine Saturday.

This Evening and Tonight:
Remaining rather cloudy and damp during the evening, with the odd spot of light rain and drizzle possible in places. Becoming drier and clearer from the north towards dawn, although most places should avoid a frost. Minimum temperature 3 deg C (37 deg F).

Saturday:
Locally chilly to start, but otherwise a fine day with pleasant warm sunny spells and light winds. Perhaps turning cloudier from the north into the evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Mostly dry, with variable but often large amounts of cloud. Turning more unsettled and windier through Tuesday, with some rain moving southeast. Temperature near average, with overnight frosts remaining possible.
